# About Our Company

Al-Kon Company for Legal and Administrative Services was established in 2010 to lead in providing innovative legal and administrative solutions. We believe in the importance of offering comprehensive services that meet the needs of both individual and corporate clients. Our team of lawyers and management consultants possesses diverse expertise, allowing us to provide reliable consultations and effective strategies.

We are committed to achieving excellence through high standards of quality and professionalism, focusing on building long-term partnerships with our clients to be their trusted choice at all stages of their projects.

We always strive for excellence by adhering to the highest standards of quality and professionalism, focusing on building sustainable relationships with our clients to be their trusted partner at all stages of their work.

# What We Offer

We offer a wide range of legal consultations, including labor law, arbitration, commercial law, and intellectual property laws. Our team of specialized lawyers works to provide the necessary advice to protect our clients' rights and ensure legal compliance.

## Comprehensive Legal Services

At Al-Kon Company, we offer a variety of legal services, including consultations, litigation, and arbitration, with a team of specialized lawyers to ensure the protection of your rights and the achievement of your goals.

## Specialized Management Consultations

We assist you in enhancing organizational performance through customized management consultations, including human resource management and strategy development, to support the success of your organization.

## Our Commitment to Excellence

We strive to achieve the highest quality standards in our services, focusing on building relationships based on trust and transparency to ensure our clients' success.

## What Sets Us Apart —

We utilize advanced methods and modern techniques in our work, which helps us improve efficiency and accelerate the decision-making process. We strive to create a work environment that fosters creativity and critical thinking, contributing to the development of new ideas and solutions that help achieve our clients' goals.

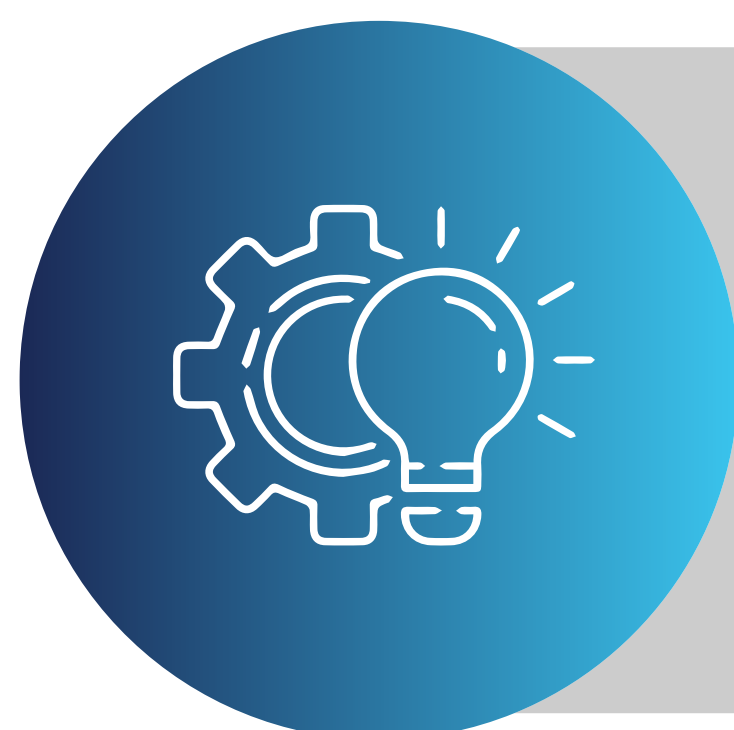

### Diverse Expertise

Our team includes a group of lawyers and consultants with diverse expertise, enabling us to provide comprehensive solutions that meet our clients' needs across various legal and administrative fields.

### Commitment to Quality

We are committed to delivering high-quality services, operating under strict professional standards to ensure client satisfaction and achieve effective, tangible results.

### Customized Solutions

We offer legal and administrative solutions tailored to meet the specific needs of each client, reflecting our deep understanding of their challenges and goals.

### Strategic Partnership

We believe in the importance of effective collaboration with our clients, building relationships based on trust and continuous communication, which contributes to achieving mutual success.

## Our Company Value

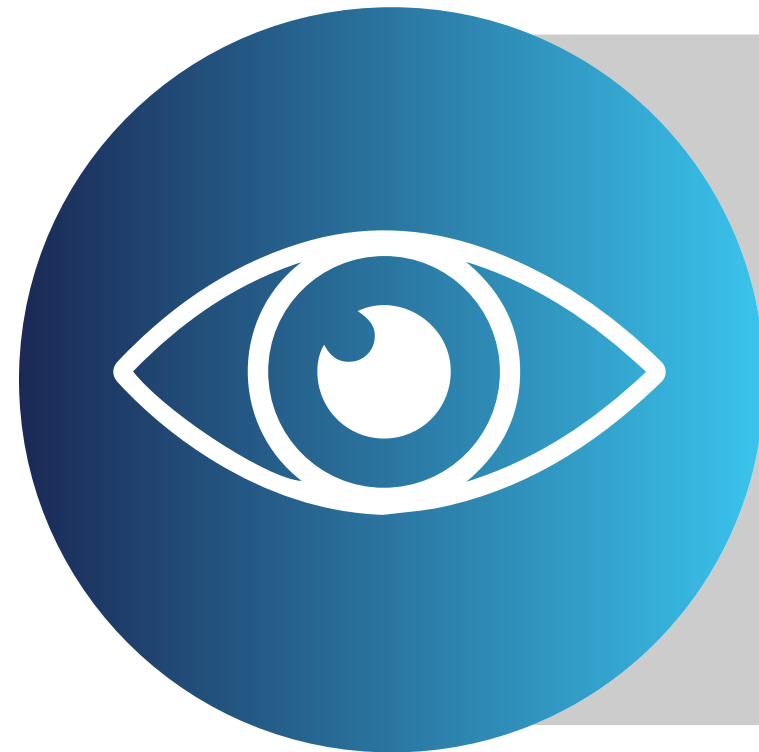

Our values are based on transparency, trust, and professionalism. We believe that success is achieved by building strong relationships with our clients and delivering high-quality services that reflect our commitment to excellence.

**Integrity:** We operate with transparency and believe in the importance of honesty in our dealings with clients and partners. Integrity is the cornerstone of everything we do.

**Social Responsibility:** We believe in the importance of our role in the community and strive to contribute to its development through social and environmental initiatives.

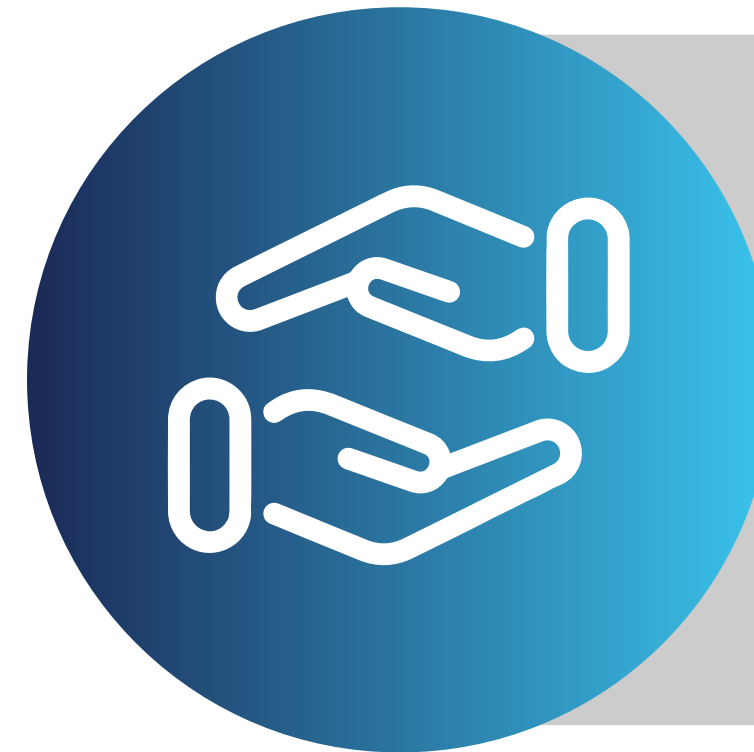

# Our Company Vision —

At Al-Kon Company for Legal and Administrative Services, we strive to be leaders in providing innovative legal and administrative solutions that contribute to creating a stable and trustworthy business environment. We aspire to achieve excellence in everything we do by offering comprehensive services that meet our clients' needs and help them achieve their strategic goals.

## Innovative Future Vision

We aim to be leaders in providing innovative legal and administrative solutions, focusing on equipping our clients with tools to adapt to the rapid changes in the market.

## Partnership Based on Trust

We believe in the importance of building trust-based relationships with our clients, and we are committed to providing high-quality services that contribute to achieving their goals and enhancing the sustainability of their businesses.

Our values are reflected in every aspect of our work, and we strive to create a work environment that embodies these principles, contributing to the sustainable excellence of our company and our clients.

# Our Company Mission

At Al-Kon Company, we aim to be the first choice for legal and administrative services in the region. We are committed to providing innovative solutions that meet our clients' needs and help them achieve their goals efficiently and professionally.

We focus on building strong relationships with our clients based on trust and transparency. We believe that effective and open communication is the foundation of any successful relationship, which is why we strive to create an interactive environment that supports constructive dialogue and the exchange of ideas.

We always strive to achieve the highest quality standards in all our services. We believe that excellence is a constant goal, which is why we continuously work to improve our performance and develop our team's skills to ensure the best possible services for our clients.
